<u>Time Required</u> 2 hrs.	<u>Equipment Needed</u> WVRFTC Engine Co. Operations ppt. or WVRFTC Truck Co. Operations ppt. <u>“Dress Rehearsal” Drill</u> Deck Of Cards “Dress Rehearsal Drill” ppt. PPE & Equipment / Apparatus	

DESCRIPTION

Objectives:

1. Review the objectives and strategic priorities of the Engine or Truck Co.
2. Review the basic roles and responsibilities of crew members assigned to the Engine or Truck Co.

Description / Outline:

1. Review the Engine Co. Operations or Truck Co. Operations PowerPoint as a crew.
2. Perform the “Dress Rehearsal Drill” using the PowerPoint Slides & Deck of Cards:
 - Advance the slide to determine the scenario / dispatch information.
 - Draw a card from the deck. The card suit determines arrival order at the incident:
 - **Diamonds – 1st Arriving Unit**
 - **Hearts – 2nd Arriving Unit**
 - **Spades – 3rd Arriving Unit**
 - **Clubs – 4th (or Later) Arriving Unit**
 - **ACES = Company Officer to ESTABLISH COMMAND**
 - **FACE CARDS = RIC ASSIGNMENT**
 - Move to the apparatus, don PPE
 - Using the Basic Riding Assignments or any pre-determined “Tactical Templates”:
 - **Provide Directives / Assignments to crew “En-Route” to Incident**
 - **Develop Equipment Cache as appropriate**
 - Advance slide to show Incident Image
 - Arrive “On Scene” and Gather Equipment Cache as Necessary
 - **Modify any Directives / Assignments as necessary**
 - **Modify Equipment Cache as appropriate**
 - Discuss performance expectations, roles & responsibilities of crew
 - Restore Apparatus and move to next scenario.
